Investing for Success

Under this agreement for 2020
Redbank Plains State High School will receive

$1,313,015*

This funding will be used to

- Increase student attendance rates to 90%.
- Ensure an average A-C Achievement rate of 67% in Years 7 to 9.
- Achieve a QCE/QCIA attainment rate of 98% for students on a vocational pathway.
- Provide a high quality Junior Secondary curriculum following the Australian Curriculum guidelines and a Senior Secondary curriculum that enables success under the revised Senior Assessment and Tertiary Entrance system.
- Provide targeted interventions to improve outcomes for students needing EAL/D or learning support.
- Improve the school’s engagement and communication with its community.

Our initiatives include

- Full implementation of the school’s pedagogical framework based on the New Art and Science of Teaching.
- Academic and literacy and numeracy support for students through the EAL/D and Learning Support faculties.
- The implementation of a behaviour management strategy based upon restorative justice.
- Provision of digital textbooks and other resources to improve student outcomes.
- Employment of a Communications and Community Relations Officer and Liaison Officers to improve student participation and attendance and community engagement with the school.

Our school will improve student outcomes by

- Providing increased staffing and resources to maintain a broad academic and vocational curriculum, maximise student engagement and implement the school’s pedagogical framework. $634,000
- Providing specialised staff and resources to improve the educational outcomes of EAL/D students and those requiring learning support. $276,000
- The employment of specialist staff to improve student wellbeing and community engagement. $403,015
